News from the Golf Director

It's been a busy year already at PGA Catalunya and we're getting ready for an even busier summer! We're excited to announce that our new member's changing rooms have begun with scheduled completion in June. Members will enjoy exclusive access, private lounge area with sofas, TVs and refreshments, as well as new men and women's shower rooms and a separate beauty area in the ladies locker room.

If you haven't already heard, we now allow buggies on the courses. For those who visited us last year, you witnessed the course change to Bermuda grass, which can better accommodate buggies and is more environmentally friendly requiring less watering.

Be sure to check out our new golf packages since new ones are added frequently. We look forward to teeing up with you soon!

Happy golfing,

Miguel Girbes
